Gil Hyatt  
Hyatt Construction

Gil:

Many thanks to your team for the fine job they did in renovating the 2200 Building for Fairwinds Development LLC. This project was a challenge from the start and through some long days, your leadership gave our family tremendous confidence in getting this project open just as quickly as possible.

From working with the various governmental agencies, Hyatt Construction demonstrated a keen understanding of the task issues and focus company resources and personal to get the job done.

Jack, Kathy and I wish to thank you and your team for the first class job. The newest Ireland's "Beachside" building is getting rave reviews from the tourist and I just wanted to take this opportunity to thank you again for the fine job.
