Dear Gil:

The House that Love Built is completed and ready to open! On behalf of the Board of Directors of the Ronald McDonald House of Fort Lauderdale and staff, we would like to thank you for the great work done during the construction phase at the house. We could not have done it without you, Gary or Linda. We congratulate you for taking the time in helping others and for making a difference in our community. Your generosity is highly appreciated.

The Ronald McDonald House of Fort Lauderdale is ready to open its doors to provide a comfortable, caring and affordable haven for families with children receiving medical treatment at any Broward County's children's hospital or other pediatric medical facilities.

This House was completed by the gracious efforts of volunteers, community partners such as you, and church, civic groups and with the generous donations from the local McDonald's restaurants and Owner Operators. This is truly the "House that Love Built".

Gil, looking forward to see you at our Grand Opening Day on May 11, 2004. I am confident that our friendship and partnership will continue to help children and families. Once again, thank you and remember you have a friend in the families and me at the Ronald McDonald House.

Sincerely,

Soraya Rivera-Moya
